An early payment discount of \$100.00 is available for the full payment of season fees no later than the first week of Charity Shield.

Payment Schedule

If you wish to make scheduled payments, rather than making full payment upfront, then the following payment schedule must be adhered to. Any late payments, may result in the team being excluded from the remainder of the season (unless an alternative payment plan has been negotiated and approved by BFQ).

Please note that payments made in accordance with the below schedule will not attract the early payment discount.

	Payment 1	Payment 2	Payment 3
Due Date	By Charity Shield Week 1	30 April 2012	End of Regular Season – before finals
New Teams	\$975.00	\$460.00	\$450.00
Existing Teams	\$695.00	\$460.00	\$450.00

BFQ strongly urges clubs to request a sign on fee from each player and then a weekly game fee. Teams that operate this way tend to have few problems in ensuring the prompt payment of their bills.

BFQ recommends that teams charge a minimum \$160.00 sign on fee then a minimum weekly fee of \$5-\$7 per player for games played. This should enable your club (based on 15 players) to save a little for replacement of playing strips when required at a later date.

Other Expenses to Consider

New Playing Strips

Clubs are reminded that BFQ does offer an interest free loan facility to clubs wishing to purchase new playing strips. The new strip is able to be paid off in instalments over a 2 year period. This offer is only available to continuing clubs that have completed at least one season of BFQ football. Our preferred suppliers of playing strips are Gorilla Sports or Veto Sports and their details are as follows:

Please speak only to Alan or Declan and advise them you are a member club of BFQ.

Match Balls

Baptist Football Queensland does not supply match balls. It is the responsibility of each team to ensure that they supply a suitable match ball that meets the sizing requirements of their respective competition. Suitable match balls for our competition are available via Veto Sports or Gorilla Sports.

Training Lights

BFQ does not normally supply any grounds for training purposes. Normally venues allowing teams to train will request a fee to assist in ground maintenance and lighting. Please ensure you know these charges and budget for them in your fees structure. They vary widely from ground to ground. Some grounds charge a moderate fee of around \$10-15 a night for training and others can be as high as \$60.00 per hour.

Representative Football

Players selected in BFQ representative teams will be charged a fee which is based on the actual cost which varies due to the kit supplied. In the past, this has been between \$80 to \$120 per player.
